

Evans Scholarship Eisenhower Chapter

CWGA Member Clubs... Help Colorado Caddies Attend College!

About the Program:

The Evans Scholars Program is known as "golf's favorite charity". This charity is different from any other because it is supported solely by the game of golf. The Evans Scholars Program is the largest scholarship operation in the nation funded by individual contributions. More than 200 scholarships are awarded each year, with more than 800 Evans Scholars now in college. Here in Colorado, Evans Scholars attend the University of Colorado at Boulder and live in a beautiful Chapter House located near the heart of the Boulder campus.

Scholarship Facts:

- Provides student's tuition and housing
- May be renewed for four years at the Foundation's option
- Scholars must maintain outstanding academic and extracurricular activity records

To be considered as a candidate, the student must have:

- Two summers experience as a full-time caddie or part-time caddie and golf employee
- A need for financial assistance to attend college
- A superior academic record
- Outstanding character

How can your club make a difference?

Evans Bag tag sales account for over \$50,000 dollars raised each year by the CWGA and CGA.

Instructions:

- Sell the bag tags for a minimum of \$10.00 each.
- If more tags are needed, call the CWGA office to request additional tags.
- Return all collected bag tag contributions to the CWGA office. Unsold bag tags **do not** need to be returned to the office.
- The CWGA then forwards all contributions to the Evans Scholars Foundation.

All dollars raised in Colorado are earmarked for Colorado Scholarship recipients. With your club's assistance, we can continue to help deserving young women and men attend the University of Colorado, Boulder, and earn degrees for their future careers.

Please return contributions no later than June 1st, 2016

On behalf of all past, present, and future Eisenhower-Evans Scholars, thank you for supporting this program!
