

CGA Women's Club Newsletter – April 2018

To All Women's Club Officers –

Golf season in Colorado is finally here. We know that your opening day is just around the corner and we hope that the weather cooperates. Please let me know if we can help in any way.

Our biggest challenge is communicating to all the women's clubs in Colorado. Thank you to the 97 clubs who completed the 2018 Women's Club Information form. To the other 100 clubs who received this, we have your name from the 2017 form or from a phone-a-thon we did last summer to try to collect names.

- It has been 9 years since we have done a member survey. Click [here](#) to take the survey – and there are prizes for taking the survey!
- Help with Golf Genius? GHIN? Call us at 303-366-4653 / extension 2 to talk with Aaron Guereca or Gerry Brown.
- We are available to run **rules of golf seminars** at your club. Whether you have 5 or 15 or 50, we can tailor the discussion to your needs. If you want to know what's coming in 2019, we can talk about the major changes so that you can try out the new rules now, if you wish. Call or email cga@coloradogolf.org to request a date.
- Speaking about the new rules, a summary can be found on the usga.org or by clicking [here](#).
- **The Member Zone** is open to CGA members. It is a login-only part of the CGA website under the Members tab or [here](#) that contains offers on services and products. We are looking to make sure there are "girl friendly" products – so we just added Sassy Caddy to the list. Avis, Budget, Hotel Engine, Constant Contact are also on offer. Check it out. And if you have ideas on products or services that we should add, please let me know.
- **Rules Cards** for 2018 are available to buy. New this year, they are made of a more durable plastic material and can be ordered online at the CGA website under the Rules tab [here](#). There is also a link from the CWGA website under [Resources](#).

Tournaments

- The CGA Parent/Child Tournament may be new to many of you. It is June 2-3 at Keystone and is open to men, women and juniors with handicaps from either the CGA or JGAC. The parent/child relationship must be a blood or legal relationship (no in-laws). Teams can consist of mother/daughter, mother/son, father/son or father/daughter. Grandparents may play with their grandchild. More information can be found out [here](#).
